Your field of study

Your social networks (LinkedIn preferred)

Your CV / Resume

I was invited to this hackathon by :

Do you already have an idea for the hackathon? If yes, please write it down here

Why do you participate to the selection ?

You accept the terms and conditions and the privacy (YES as the only option)

Target : youth second generation or youth migration background 18-26 years old.

To the partners it will be also requested a policy for youth to be discussed during the HACKATHON. So each partner is in charge of proposing according to a need analysis stressed by the desk research of each partner involved in the project, so each partner is free to propose one/two proposals of youth policies addressed to youth.

So by **30th September 2022** it will be requested to send us a document where there will be included one/two proposals of policies addressed to youth.
